Dear Customer,

We are pleased to advise that the Gaevle Congestion Surcharge will be cancelled, effective as from 13 September 2017.

At the moment, import shipments to Gothenburg will continue to incur the current Congestion Surcharge of EUR 90 per TEU. The congestion surcharge for Helsingborg (both import and export) also remains at the current level of EUR 90 per TEU.

We will continue monitoring the situation and will update you on any further developments as and when information is available. We apologize for the inconvenience caused.

Please visit our [website](#) for related Basic Ocean Freight rates, Bunker surcharge (BAF), Low Sulphur Surcharge (LSF), THC (origin or destination), Peak Season surcharges and Security related surcharges.

If you have any questions do not hesitate to contact your local sales office. Contact details can be found on our website www.molpower.com.
