

The rules & regulations of shipping to the USA

Shipping items to the United States isn't quite as simple as moving things around Europe. There are a whole host of additional rules and regulations you need to be aware of before you start importing or exporting to the USA.

A warm welcome to Jamie and Kelly

We'd like to welcome two new starters at our Manchester office who bring a wealth of experience in their respective fields.

Jamie Slater joins Allseas in operations management within the field of ocean import/export having recently worked extensively in the energy sector.

We did it! A fantastic team effort helped raise over £7,000 for two worthy charities

Thanks to everyone involved in helping us raise a total of **£6,059.52** for the **Helen Rollason Cancer Charity** - a cause very close to our hearts following the passing of our good friend and colleague **Richard Dale**.

We'd also like to thank everyone who got involved to help us raise **£1,100** for **St Elizabeth Hospice** in Suffolk. The ladies at our Felixstowe off took part in the 2018 Midnight Walk.
