TRADE IMBALANCE SURCHARGE INTRODUCTION – TRANS-ATLANTIC TRADE

Dear valued customer,

in response to the recent increase in operating costs associated with, among other items, schedule delays and re-positioning and in recognition of the ongoing demand for Westbound space causing a widening tradelane imbalance, OOCL will implement a Trade Imbalance Surcharge (EIS) as below:

US$ 100/20' and US$ 200/40'/45' for all Westbound containers (Dry Containers only) from North Europe to the United States of America (via US ports) and Mexico effective June 2nd, 2019

For any further information, please kindly contact your local Sales Representative.

Thank you for your understanding and continued support of OOCL.
